# TECHNICAL DATA SHEET

## CPS Sticker remover

### Description:

This product is specially designed for everyone's headache. After removing the adhesive, the product will not stick any sticky substance on the material, it will not damage the surface of the workpiece, and will not affect other processing.

### Usage method:

Spray the cleaning agent evenly on the sticky glue to be removed, soak for 10 minutes, then spray a layer to wash the place, then wipe it with a cloth. For stubborn stains, the wetting time and dosage should be prolonged.

Products Code	Packings	Capacity
I100329-4L	Can	4L
I100329-18L	Pail	18L
I100329-200L	Durm	200L

### Performance characteristics:

- Removing speed and saving time
- Do not hurt the workpiece

### Typical physical properties

CPS STICKER REMOVER	Relative density g/cm <sup>3</sup>	Smell	Appearance
